## Home Owners Association Rewards: HOA Rewards

**It's simple, you and the Home Owners Association need security and savings, and we need your business.**

Today, home owner associations need security and notification of security events caused by vandalism and trespassing. To address this issue Rottweiler Security started the HOA Rewards program. Specifically addressing the budgetary needs of home owner associations, HOA Rewards provides the funding necessary for CCTV cameras and security in pool and other designated areas.

### **How does HOA Rewards work?**

Purchase a CCTV camera system or security system for the HOA club house or pool house and offer your home owners association discounts on their security monitoring from Rottweiler Security! In return for every HOA member that signs a 24 month contract we donate \$ 50 dollars to the HOA that will be ear marked for system monitoring, maintenance and upgrades. In addition to the \$ 50 dollars we will donate an additional dollar for every month that each member honors their contracts. You can use the funds to purchase new equipment or services and members also receive:

- 1. REDUCED MONITORING FOR YOUR HOA RESIDENCES:** When your HOA is enrolled in HOA Rewards, any resident living within your HOA can receive their home monitoring for \$ 16.95.
- 2. LIFE TIME WARRANTY ON ALL WIRE INSTALLATIONS:** When your HOA is enrolled in HOA Rewards, you receive a LIFE TIME warranty on all wiring installed by Rottweiler Security or Rottweiler Systems, Inc.
