ROTTWEILER SYSTEMS & SECURITY

The Widow's Mite Safety and Charity Program

It's simple, you want to increase your giving in your church, you want to save money, you want to see more ministry support for ministries that are life impacting and we need your business.

Every year hundreds of churches are broken into, property damaged or buildings vandalized. To combat this, we have come up with a strategy that improves safety, allows for specific giving and allows a tunnel of savings to its membership.

The only **condition** to be a Widow's Mite member; your church must have a monitored security system with Rottweiler Security.

Widow Mite contributions:

10 % charitable donation to the sponsoring church. Each month, as the members pay their security system monitoring to Rottweiler Security, we will donate 10% of paid services directly to the sponsoring church, AND we will donate an additional 10 % to other charitable organizations listed below:

10 % additionally donated to Christian charitable groups. An additional 10% of the available payments made will be donated on a quarterly basis and a report submitted to the church of sponsorship. Our current charitable groups are:

2.5 % charitable donation to Focus on the Family, their site is:
